

CBC Women's Conference 2019

Seeds of Change – Faith Women's Conference (hosted by Cirencester Baptist Church)

Saturday 16th March 2019

¹⁵ But the seed on good soil stands for those with a noble and good heart, who hear the word, retain it, and by persevering produce a crop. Luke 8:15

As seeds we are scattered in different, unique "fields", from the home to the workplace.

How do we use our faith where we are?

Wherever we are, how can we be a better servant of Jesus?

How can we help ourselves so that we can help others?

This one-day event focuses on exploring Faith in our everyday journeys. is the first of what we hope will be many Seeds of Change events. It seeks to encourage, empower, and inspire women to share the Gospel widely, innovatively and confidently. We want to equip women to plant seeds on good soil.

Rachael Markham – Bible Society

Rachael lives in Frome, although she probably spends more time on the road than at home. She loves playing guitar, exploring new places, and long drives with good music, which suits her well since she covers BS, BA, GL, SN, OX, HP, RG and SL postcode areas. Rachael loves the action and adventure recorded in the Bible, but also loves to share the story of hope and grace that people find through being pointed to Jesus.
